Personnel Executives

FROM: Robert S. Peters *RSP*
Secretary

SUBJECT: Deferred Compensation Expos

The Kentucky Public Employees Deferred Compensation Plan is a benefit that is available to all state employees. To ensure that employees are familiar with the advantages of this program and to disseminate information to participants or interested employees, the Deferred Compensation Authority will be conducting Expos across the state this fall. The exact dates and locations will be distributed at a later date.

Employees should be allowed reasonable time off from their job to attend the Expo closest to their work location or their home, whichever requires the least travel. Since this is one of the employee benefit programs, use of annual or compensatory leave should not be required to attend one Expo per year relating to this benefit.
